District 8

Hello from district 8. We hope you are all doing well.

We are for the most part doing well. A few of our members are having some health issues. Charlie Lahm has not been out much lately but we are happy to see him out today. Dave Schjeldahl is suffering from hardening of the lungs and cannot get out much. We are missing him a lot.

Our group is staying pretty busy with our monthly plays. We are playing a couple days a week. Plus any additional plays.

We played at the Mud Lake Museum for their annual summer party. This was our 3rd year there and we love it. It is a farming community and they all come to the museum for the party. Pictures are on the Facebook page. It has become one of our favorites.

We also had a campout at our home in June. It was open to any and all acoustic musicians. We had a great turnout with friends from Montana and Utah and met some new friends that are locals that we hope will come play with us.

Keep smiling and playing music and life will be blessed.

Teresa
