## **District 8**

Hello from District 8. How are all y'all doing? (That's how we talk in the South East) As the seasons change things are winding down here. We have been keeping up with our two or three plays a week schedule, but our snowbirds are getting ready to go South for the winter. Gardens have been harvested, fruit has been picked and canning is about finished for the year. We are reminded of all the things that we have and to give thanks for all that we have received. There has been a lot of music played and enjoyed throughout the year and we are making plans to continue entertaining at our senior centers this Winter. We might not have any fiddle players show up at some of our events, but that has happened before. We provide a community service that is appreciated by our audiences and have several people willing to continue that service. It is always great to see people get up and dance to our fiddle tunes, but fewer people are dancing. We all need to remember that our organization is all about promoting old time fiddle music. That includes danceable music that encourages people to socialize and have fun.

Happy fiddling from all is us here in the SE corner.
