## **District 8**

Hello from District 8. We have completed all our play dates for the year and our snowbirds have gone South for the winter. This is the first year that we have taken the month of December off. In the past we would be doing Christmas music and trying to remember all the songs that we only play in December. We probably didn't sound our best at the beginning of the month, but we did improve towards the end of the month, after re-learning the songs. We are reminded of the importance of practice and the need to retrain our muscle memory on all the songs we play, especially for the songs that we don't play often. Hopefully we made our audiences feel better when we played this year and look forward to entertaining everyone again next year. We wish everyone a Happy New Year. May you all enjoy good health, happiness and a music filled new year.

Happy fiddling from all is us here in the SE corner.
