## **Fund Raiser & Fiddle Show**

**May 10, 2014**

More than 20 boxes of food donated to the Idaho Falls Soup Kitchen. Last year they served more than 50,000 meals.

District 8 and some of the students from Sites' Music Studio played for the crowd that donated food.

Some of the students are pretty young, but you couldn't tell it by their playing. The group included champions who won their divisions at Weiser, and Players who were Grand National Fiddle Champions in Nashville.
